France - Italy - Croatia - Montenegro - Albania - Greece - Turkey - Armenia - Azerbaijan - Turkmenistan - Uzbekistan - Kazakhstan - Kyrgyzstan - China - Province of Tibet (China) - Nepal - India - Bhutan - Burma - Laos - Cambodia - Thailand - Malaysia - Singapore - Indonesia - East Timor.

THE GOAL :

In addition to sports and adventure, this trip is made by 2 image and film professionals. Which is an asset for the quality of the reports .

The goal is to share with the of people the experiences and the discoveries (Landscapes, Humans, Culture, traditions ...) during this trip of 28.000 kilometers. Especially for the youth and the schools.

Barbara and Alain will be "Your Eyes and Your Ears". They want to collaborate with schools to provide teachers with pedagogical support. To allow students to discover a part of the world, to dream while waiting for themselves to discover new horizons. Everything starts with a dream !
